Equal Opportunities

Cheese+ is built upon teamwork and equal opportunity. We will continue to be successful when people are treated fairly and allowed to advance and achieve their full potential. We are proud of the fact that we extend equal employment opportunities to all employees and applicants for employment without regard to race, colour, religion, sex, age, national origin or disability, which if needing accommodation, may be reasonably accommodated as requires by law.

We work hard at Cheese+ to promote the fulfilment of human potential and equal employment. We will take action to ensure that all minority group individuals and disabled persons, are given the opportunity to know of openings, are encouraged to seek promotions, are considered for promotion and when qualified, promoted.

All phases of employment including, but not limited to, recruiting, hiring, selection for training, promotion, demotion, discipline, rates of pay, termination, use of all facilities and participation in all Company sponsored activities and events, will be administered so as to further the principle of equal employment opportunities.

The Company will not condone any form of harassment, whether engaged in by employees or by outside third parties who do business with the Company.

Cheese+ is generally free to decide whether to accept business from Customers', but any decision not to supply will not be based on race, colour, sex, creed, disability, nationality or ethnic group.

Cheese+ will follow the principles of the **Sex Discrimination Act**, the **Race Discrimination Act**, and the **Disability Discrimination Act** in the UK. Action will be taken under the Company's disciplinary procedure against any employee who is found to have committed and act of improper or unlawful discrimination, harassment, bullying or intimidation.

Serious breaches of this policy will be treated as potential gross misconduct and could render the employee liable to summary dismissal.
